WILDLIFE & PLANET | Wild Entrust

Through its main programmes, being predator research, coaching as well as ecosystem and community development projects, WE supports the conservation and management of wildlife and wildlife habitats through applied science and sustainable development in Botswana. [Click here](#) to read more.

PEOPLE | Shelter Botswana Health Promotion

Shelter Botswana is a home-based care organization and non-profit governmental organization that, from its inception in 2011, has sought to facilitate an improved livelihood for vulnerable individuals residing in the North West Sub-district of Botswana. The organization involves itself with several community-based activities including, but not limited to HIV/TB awareness campaigns and the running of a pre-school designed for orphans and vulnerable children (OVC). PEOPLE | Travel for Impact

Through partnerships in the tourism industry, TFI aims to promote responsible tourism in Botswana by providing core services and funding to community initiatives. This social enterprise aims to change lives by working from a grassroots level to address community identified needs using reallocated funds from the tourism industry back into a variety of worthwhile initiatives.
